NOTIFICATIONS.

The 12th August 1887.

No. 86.—The following Revised Rules for the sale of sandalwood by public auction are published for general information :—

I. PROCEDURE.

1. Every auction sale shall be held by the Forest Officer in conjunction with the Deputy Commissioner of the District, or other Officer deputed by the Deputy Commissioner.

2. The highest bidder shall be the purchaser. Should any lot be disputed, it shall be again put up, and resold.

3. Each purchaser shall, immediately after a lot has been knocked down to him, sign his name opposite the number and specification of the lot bought by him, in a book provided for the purpose. Such signature shall be held as an admission on his part of having bought such lot.

62

II. PAYMENTS—HOW TO BE MADE.

4. Immediately after the sale, each purchaser will be furnished with a memo showing the total amount due by him; and with a letter of advice to pay into the nearest Government Treasury 25 per cent of such amount as a deposit, before the close of the third day from the date of sale. A receipt for the deposit money will be granted by the Treasury Officer, and must be presented to the Forest Officer before the close of the fifth day. The Forest Officer will initial the receipt, and enter on its face, the date of presentation. Should any purchaser fail to comply with this regulation, the Forest Officer shall be at liberty to sell to other individuals, all or any portion of the sandalwood purchased by such defaulter, who shall bear any loss, but shall not participate in any profit that may arise. The amount due by such defaulter shall be recovered as a revenue demand.

5. The whole quantity purchased by each merchant must be paid for within 90 days from the date of sale. Failing which the deposit money already paid in shall lapse to the Government, and shall not be counted as part payment. Moneys due may be paid into the Treasury of the Taluk in which the Koti is situated, or into the District Treasury, but into no other.

III. WEIGHING OUT AND DELIVERY OF WOOD.

6. The Forest Officer or in his absence any other Officer deputed by the Deputy Commissioner shall personally weigh out the whole quantity of wood bought by each purchaser, and this weighing out of the wood sold in each Koti must be completed within three months from the date of sale. When weighing, should any surplus be found, it shall be taken out; and any deficiency occur, the Officer weighing will make up the full tale of wood, stamp every piece that can be stamped, and take such precautions as shall preclude the lots being tampered with before final removal.

The full tale of wood having been thus once made up, all loss which may afterwards arise from dryage or other causes, shall be borne entirely by the purchaser, who shall be warned to attend at the weighing out of his lots. Should he not appear in person or by duly constituted agent, the Forest Officer or the Officer deputed for weighing shall weigh out, stamp and seal the lots at his own convenience, and no complaint afterwards made by the purchaser will be attended to. The expenditure incurred in weighing out wood will be borne by the Government; but all expenses necessary for the final removal of the wood from the Koti shall be borne by the purchaser. Nothing shall prevent a Forest Officer from weighing out wood to any purchaser who wants early delivery upon full payment of the amount due thereon.

7. No wood can be removed by any purchaser until it has been paid for in full, and until a "license to remove" shall have been obtained from the Forest Officer.

IV. KOTI RENT.

8. Wood weighed out, stamped and paid for under the preceding sections, may be removed at any time within 90 days from date of sale without payment of Koti rent. Such wood, if left in the Kotis more than 90 days from date of sale, shall be charged with Koti rent at the rate of (4) annas per kandi per mensem, from date of sale. Should the space occupied by such wood be required for the storing of new wood, the Forest Officer shall be at liberty, after giving the purchaser ten days' notice, to take the wood out of the Koti, and deposit it without the walls at the expense and risk of the purchaser.

V. LICENSES TO REMOVE.

9. No wood can be removed from the Koti till a "license to remove sandalwood," signed by the Forest Officer in charge, shall have been obtained; and all holders of such licenses shall be bound to abide by the conditions laid down in such licenses. Any trader or other infringing the terms of his license, or not returning his license on the expiration of the time allowed, shall be liable to be dealt with under the conditions prescribed in Section 40 of the Mysore Forest Rules.

VI. GENERAL.

10. In conformity with standing Rules, no sandalwood can be sold by private individuals within the Mysore Territories, or be moved from place to place without a license, to be granted by the Forest Officer in charge of the Range.

11. The Forest Officer in charge shall be at liberty to stop the sale at any time without giving any reason to the intending purchasers.

Proceedings of the Dewan to His Highness the Maharaja of Mysore, (Revenue),—dated 9th August 1887.

No. 2709-18—72, DATED 9TH AUGUST 1887.

ORDER.—By Notification No. 292, dated 13th February 1874, all whole inam villages for which Inam title-deeds were not issued before the 12th October 1872 were ordered to be surveyed and valued by the Survey Department previous to the final settlement of the quit-rent leviable on them, all subsequent settlements made by the Inam Department being declared to be *ad-interim*.

2. The principles upon which the Survey Department valued inam villages came under discussion in 1881 and the final settlement of quit-rent made by that Department in accordance with the Notification of 13th February 1874 was, by Proceedings No. 4701-9—133, dated 2nd September 1881, ordered to be revised, adopting for purposes of valuation the survey assessment of the lands under cultivation in the inam village with 25 per cent of the assessment on the arable waste, together with a reasonable pasture rent on the unarable waste; and, pending such revised valuation, both the quit-rent and the local fund cess were directed to be collected on the old recorded valuation only.

3. It has come to the notice of the Dewan that certain holders of inam villages are allowed to withhold the payment of quit-rent and local fund cess on the pretence that the revised settlement directed in the Proceedings of 2nd September 1881 has not yet been completed. The special attention of Deputy Commissioners is drawn to para 5 of the Proceedings above quoted, directing that, pending the revised valuation, both quit-rent and local fund cess should be collected on the "old recorded valuation" of the village. What was ordered to be held in abeyance was the quit-rent and local fund cess calculated upon the survey valuation of the village made in accordance with Notification No. 292, dated 13th February 1874.

4. The Inam Settlement of villages for which Inam title-deeds were issued before 12th October 1872 will not be re-opened, and in their case quit-rent and local fund cess should be levied upon the value recorded in the title-deeds issued.

5. In the case of other inam villages, quit-rent and local fund cess should be levied upon the value recorded by the Inam Department, pending the final revised valuation directed in Proceedings No. 4701-9—133, dated 2nd September 1881.

6. Deputy Commissioners are requested to adopt measures for the early recovery of quit-rent and local fund cess in accordance with the foregoing observations in cases in which they have hitherto been withheld.

R. VIJAYINDRA RAO,
Chief Secretary.
